Tajib Smajlovic

## 1 Introduction

Creating nice pseudocode algorithms.

### 1.1 My Algorithm

Did you learn L<sup>A</sup>T<sub>E</sub>X?

**if** *learned*  $\geq$  *sortof* **then**

*okay*  $\leftarrow$  *true*

**else**

**while** *!okay* **do**

        repeat course

*okay* = *learned*  $\geq$  *sortof*

### 1.2

## 2 Conclusion
